FORWARD-LOOKING STATEMENTS

WHO WE ARE

| OUR PURPOSE

WE EXIST TO CREATE NEW WAYS TO MOVE PEOPLE.

We are committed to helping people reimagine how they access their world – enabling experiences that can be measured in emotion rather than distance.

I OUR BRAND PROMISE

ADVENTURE BY DESIGN

Our promise is to create experiences that move people; it is about our obsession to detail that transforms the functional into the inspirational; it is the drive to push our own limits and help our riders find new ways to push theirs – and to choose adventure. Always. At BRP, we call this Adventure by Design. And it's what we do.

I OUR VALUES

THEY MAKE OUR
CULTURE UNIQUE,
INFORM HOW WE
ACT, AND DRIVE
WHAT WE MAKE.

PASSION TO KEEP MOVING

Passion informs everything we do and is an integral part of every value we have. If it's not done with passion, it's not BRP.

IT'S PASSION YOU CAN FEEL.

DRIVE TO DELIVER OUR COMMITMENTS

We say what we do. We do what we say. No excuses. Only sheer determination. Relentless drive and love of the ride push us ahead. WHILE WE LIVE FOR THE RIDE, WE ALWAYS ARRIVE AT DESTINATION.

TRUST TO BUILD STRONG PARTNERSHIPS

We take care of our people like family. We act with integrity. People can count on us like we count on them. IT'S THAT SIMPLE.

INGENUITY TO DEFY CONVENTIONS

We're not afraid to see things differently. Constant curiosity makes us the first to uncover new solutions. We question. We innovate. We progress. RELENTLESSLY.

I OUR CSR GOALS AND TARGETS

ENVIRONMENT

REDUCE THE CARBON FOOTPRINT IN OUR PRODUCTS AND OPERATIONS

- Make our facilities carbon neutral and reach zero waste to landfill by 2030.
- Committed to having 50% of our units sold as electric and launch new internal combustion engine (ICE) models that emit less CO₂ than their predecessors by 2035.
- Reduce CO₂ emissions from our supply chain by 25% by 2035.

SOCIAL

ENSURE A POSITIVE AND SUSTAINABLE IMPACT IN COMMUNITIES AND THE DAILY LIVES OF EMPLOYEES, DEALERS, AND CONSUMERS WHEREVER THEY WORK, GIVE AND PLAY

- Committed to reinvest 1% of pre-tax profits in community support by 2025.
- Increase our efforts to promote safety, respect for the environment and good driving practices by enhancing our Responsible Rider program.
- Health and Safety - Goal Zero 2025:
No safety incidents and no impact on the operations.

GOVERNANCE

CONTINUE TO MAKE SOUND STRATEGIC DECISIONS, MAINTAIN HIGH ETHICAL STANDARDS AND CONDUCT OUR OPERATIONS IN A SUSTAINABLE MANNER

- A complete overhaul of our Code of Ethics.

I CSR SOCIAL PILLAR

OUR THREE FOCUS AREAS IN COMMUNITY ENGAGEMENT

RIDE OUT INTIMIDATION

We believe inclusivity starts where intimidation ends, and our ambition is to stop intimidation on a global scale.

To learn more about the program, click [here](#).

RESPONSIBLE RIDER

Committed to championing responsible riding through education, action and community empowerment.

To learn more about the program, click [here](#).

CORPORATE SOCIAL RESPONSIBILITY LEADERSHIP

BRP supports numerous non-profit organizations who have the capacity to drive positive change in fields such as diversity, equity and inclusion, vehicle electrification, environment, as well as disaster and emergency relief.

To optimize our community investments, we are committed to supporting organizations in our three focus areas through our Donation Policy.

Local initiatives are equally important to us. Our employees can boost their community impact through Matching Donation Programs.

I CSR SOCIAL PILLAR DE&I JOURNEY

The diversity and uniqueness of our people fuel our ingenuity and set the course for the path ahead!

A STRUCTURED GOVERNANCE

- **A DE&I Council:** a diverse group that helps accelerate our cultural shift. (Chaired by Josée Perreault, Chief Marketing Officer, and co-chaired by Anne Le Breton, Executive Vice-President, People and Culture).

EMPLOYEE-LED INITIATIVES

- **Employee Resource Groups (ERGs):** voluntary, employee-led groups representing office and plant employees, working to set goals and actions to promote equity and remove barriers.

RECENT ACHIEVEMENTS

- **A more inclusive hiring practice:** by notably bringing more DE&I matters into the hiring toolkit and guidelines for leaders.
- **A tailored DE&I learning journey:** starting with our leaders, introducing a mix of mandatory training sessions and e-learning tools and resources.

Explore our [2024 Annual and Corporate Social Responsibility Report](#) for an in-depth look at our DE&I journey.

PARTS, ACCESSORIES AND APPAREL (PA&A)

PA&A lift the brands' strategic efforts to deliver an outstanding riding and boating experience. Thousands of available items keep products running smoothly, make drivers and passengers comfortable and protected, enable everything needed for an adventure to be stowed safely and conveniently, and just make it even more fun.

PINION GEARBOXES

Driven by a passion to shape sustainable mobility, the German-based Pinion team, that joined the BRP family in 2022, creates leading gearboxes that combine the best aspects of automotive and bicycle technology to deliver unparalleled performance and reliability.

The Pinion team introduced a new E-Drive system, the Motor.Gearbox.Unit (MGU), which pairs a powerful electric motor with proven Pinion gearbox technology and electric shifting of up to 12 gears in a compact package. This innovation has racked up many prestigious awards, including the Gold award in the “Components” category at Eurobike 2023.

ROTAX®

OEM ENGINES

Beating at the heart of every BRP vehicle, our powertrains are at the cutting edge of new technologies, performance and experiences.

Rotax aircraft and kart engines enable a BRP adventure for audiences outside our powersports and marine markets.

More than 80% of aircraft manufacturers in the light sport and ultralight aircraft market use Rotax engines, and BRP is one of the world's largest piston aircraft engine producers.

I LOW-VOLTAGE AND HUMAN-ASSISTED (LVHA) GROUP

REINVENTING THE WAY WE CONNECT WITH OUR ENVIRONMENT AND PUSHING THE LIMITS OF EVERYDAY MOBILITY.

SUSTAINABLY, BY MOVING ELECTRIC

Business unit established in 2022 aiming to:

- Create a unique space for innovation leveraging our know-how, dedicated to reinventing the way we move.
- Challenge established designs and ecosystems of low-voltage and human assisted products at the intersection of urban mobility, recreation and utility.
- Enter the untapped markets of low-voltage products and attracting a new generation of users.
- Actively explore the e-bike sector, with the acquisition of Pinion GmbH in 2022.

I UNCHARTED SOCIETY

ADVENTURE UNLOCKED

A global network of BRP certified operators who offer transformative powersport experiences. Whether for beginners or avid riders, the only thing needed is the mindset for adventure.

UNCHARTED SOCIETY

- Launched in the US in 2020 and now operating in 13 countries across North America and the EMEA.
- Network of more than 400 experiences and 200 certified operators worldwide.
- Offers consumers guided or rental experiences on state of the art Can-Am vehicles, Ski-Doo and Lynx snowmobiles and Sea-Doo watercrafts and pontoons.
- Combines rider's passion with our products to unlock a whole new experience with Uncharted Collections: fishing, camping, mountain biking, electric snowmobiles or exclusive for women.

I FORWARD-LOOKING STATEMENTS

Certain statements included in this presentation, including, but not limited to, statements relating to the Company's purpose, promise, values, statements about the Company's corporate social responsibility program referred to as "CSR25" and the Company's objectives, targets, goals, initiatives, performance or achievements thereunder, **including its intention to electrify its existing product lines and launch new electric product lines, and its commitments relating to its DE&I journey** ("CSR commitments"), including potential headwinds in FY25 in the Company's plan to meet some of its CSR commitments, as well as the expected capital expenditures and human resources deployment to support the CSR commitments and the benefits expected to result from them, and statements relating to the Company's current and future plans, prospects, expectations, anticipations, estimates and intentions, results, levels of activity, performance, objectives, targets, goals, achievements, priorities and strategies, financial position, market position, capabilities, competitive strengths and beliefs, the prospects and trends of the industries in which the Company operates, **including the potential for untapped markets and new generation of users through the LVHA group and products**, the expected growth in demand for products and services in the markets in which the Company competes, research and product development activities, including projected design, characteristics, capacity or performance of future products and their expected scheduled entry to market, **including with respect to the Can-Am electric two-wheel motorcycles, the electric snowmobiles with Ski-Doo and Lynx and Sea-Doo Rise**, expected financial requirements and the availability of capital resources and liquidities, or any other future events or developments and other statements that are not historical facts constitute forward-looking statements within the meaning of applicable securities laws. The words "may", "will", "would", "should", "could", "expects", "forecasts", "plans", "intends", "trends", "indications", "anticipates", "believes", "estimates", "outlook", "predicts", "projects", "likely" or "potential" or the negative or other variations of these words or other comparable words or phrases, are intended to identify forward-looking statements.

Forward-looking statements are presented for the purpose of assisting readers in understanding certain key elements of the Company's current objectives, goals, targets, strategic priorities, expectations and plans, including certain key elements of the Company's CSR25 program and related CSR commitments, and in obtaining a better understanding of the Company's business and anticipated operating environment. Readers are cautioned that such information may not be appropriate for other purposes. Readers should not place undue reliance on forward-looking statements made in this presentation. Forward-looking statements, by their very nature, involve inherent risks and uncertainties and are based on a number of assumptions, both general and specific, including without limitation the assumptions underlying the Company's environmental, social and governance targets, goals and initiatives under its CSR25 program, which are set out in the "Forward-Looking Statements" section of its Annual and Corporate Social Responsibility Report made as of May 31, 2024.

Many factors could cause the Company's actual results, level of activity, performance or achievements or future events or developments, including its actual results or performance of the Company's CSR25 program and related CSR commitments, to differ materially from those expressed or implied by the forward-looking statements, including, without limitation, the factors discussed in section "Risk Factors" of the Company's Management's Discussion and Analysis for the three- and twelve-month periods ended January 31, 2024, and in the Company's other continuous disclosure filings, including its Annual and Corporate Social Responsibility Report made as of May 31, 2024 (available on SEDAR+ at www.sedarplus.com and on EDGAR at www.sec.gov). These factors are not intended to represent a complete list of the factors that could affect the Company; however, these factors should be considered carefully.

The forward-looking statements contained in this presentation are made as of the date of this presentation and the Company has no intention and undertakes no obligation to update or revise any forward-looking statements to reflect future events, changes in circumstances, or changes in beliefs, unless required by applicable securities regulations. In the event that the Company does update any forward-looking statement, no inference should be made that the Company will make additional updates with respect to that statement, related matters or any other forward-looking statement.

All amounts in this presentation are expressed in Canadian dollars, unless otherwise indicated.
